PREEMINENT®

For Ethical Standards
and Legal Ability

2018

Nishad Khan P.L. is proud to announce that Attorney Nishad Khan has achieved a Martindale-Hubbell® AV Preeminent Peer Review Rating, awarded only to those lawyers with the highest ethical standards and professional ability.

This is a prestigious honor whereby reviews have confirmed Mr. Khan's high ethical standards and legal ability - placing him in the top 11% of the bar.

The Martindale-Hubbell® Peer Review Ratings evaluate lawyers based on the anonymous opinions of members of the Bar and the Judiciary.

Martindale-Hubbell conducts secure online Peer Review Ratings surveys of lawyers across multiple jurisdictions and geographic locations, in similar areas of practice as the lawyer being rated. Reviewers are instructed to assess their colleagues' general ethical standards and legal ability in a specific area of practice.

The ratings help buyers of legal services identify, evaluate and select the most appropriate lawyer for a specific task at hand. The confidentiality, objectivity and complete independence of the ratings process are what has made the program a unique and credible evaluation tool for members of the legal profession. The legal community values the accuracy of lawyer peer review ratings because they are determined by their peers – the people who are best suited to assess the legal ability and professional ethics of their colleagues.

Congratulations to Nishad Khan, Esq. on this prestigious honor!
